

## News from the Willows!

We have had a wonderful start to our school year. With the help of our "hello song" at morning meeting, the children have quickly learned all their friend's names.

Some of our favorite sensory activities so far have been the sand and water tables, play dough and gak.

The Willows have also been busy painting at the easel, creating art work with our open ended art projects, and talking about the Fall season. One special fall activity we did was make our own leaf-shaped cookies. The children enjoyed rolling out the dough and decorating the cookies. And of course, eating them for snack!

The Willows are also enjoying music class with Deirdre. Some of our favorite instruments to play are the drums, egg shakers and bells.

Friendly reminder:

Please remember to check your child's back to see if they need a warmer change of clothes. And as the weather continues to get colder, please provide your child with a hat and gloves.

Warm regards,  
Jen & Joyce
